</tbody>
</table>

Students have an opportunity during their first semester to submit waiver requests based on coursework taken at other institutions that is substantially equivalent to EDP program requirements. In general, coursework required is decreased by the same number of hours granted by approved waivers. Students with a Master's Degree from another program may reduce their time to completion by approximately one year depending on how closely that program overlaps with the UT School Psychology PhD program.
Program Costs

<table>
<thead>
<tr>
<th>Description</th>
