I hope you had and enjoyable summer and this newsletter finds you doing well. Things continue to go well with the ATP. We concluded another successful year and are looking forward to the upcoming one. Our student numbers continue to hold strong and the ATP is still sought out by students. In fact, we admitted our largest class to date with 27 students joining us for the fall 2017 semester. We graduated 15 students in May. Our graduates continue to do well on the BOC exam and in finding positions. 14 of the 15 students challenged the BOC examination and all 14 passed on their first attempt. You will find more information on the 2017 graduates later in the newsletter.

Each year, programs receive an “Individual School Report” from the BOC, which provides information on students’ performance on the BOC examination. The reporting period is April to April. We are proud to report that our students’ first time passing rate was 100% (14/14) for the year. The national average was only 84% for the same period. Our students’ average scores surpassed the national averages in four of the five domains and matched the national average in the fifth domain.

Our students continue to receive honors and awards and are serving the profession in a variety of capacities. LATSA, our student organization, is still going strong. It continues to support and raise funds for the Tina Bonci Excellence in Athletic Training Scholarship and other scholarships. LATSA members also continue their volunteer efforts and are giving back to the community in various ways. You will find more information on later pages.

As you know, the NATA’s Strategic Alliance (NATA, BOC, CAATE, NATA Foundation) have decided that the minimum degree to sit for the BOC examination in the future will be a master’s degree. Programs cannot admit undergraduate students into an ATP after the fall of 2022. We are unsure as to when we will try to make the transition to the graduate ATP. We are currently looking at our options and developing plans for various scenarios, but plan to continue offering a baccalaureate degree for the near future. Keep recommending our program to potential students.

Charlie Craven Endowed Excellence Fund

We are getting close to our goal of endowing the Charlie Craven Fund. We are short just under $10K of having the fund endowed. This newsletter goes out to over 200 alumni. If everyone gave just $50 we could endow the Craven Fund and guarantee Charlie Craven’s legacy is not forgotten.

Please consider a donation of $50 or more. That would be $1 per year that Charlie gave to UT during his 50-year career at UT. If you cannot afford $50, any donation will help grow the fund and get us closer to getting it endowed. You can even make a pledge to donate over the next couple of years, so you don’t have to donate all of it now. Please donate today!

Make a Gift
1. In the “Gift Area” select “Education, College of”
2. In the “Sub Department” select “Charlie Craven Excellence Fund”
3. Enter the amount
4. “Additional Gift(s)” will not be applied to the Craven Endowment, but feel free to give to other areas of interest
5. Select the appropriate category under “Gift Type”
6. In the box on the bottom right, please enter “Charlie Craven Excellence Fund” and any other related information.
7. Hit “Continue” and enter the requested contact information
8. Hit “Continue” and review your information
9. Enter the payment information, then hit “Pay”
What starts here changes the world.

The Tina Bonci Excellence in Athletic Training Scholarship was created in 2014 to honor the life and career of Tina Bonci. The scholarship is awarded annually to an athletic training student that exemplifies the characteristics that Tina portrayed. Characteristics like commitment to one’s education and service to UT and the athletic training profession. Recipients have used the scholarship to support their studies at UT and in graduate school. To financially support the scholarship, LATSA hosts the annual Chasing Excellence 5K. Please watch this video to learn more about the event. (note that dates are for last year’s race)

While we recently raised enough money to endow the fund, the larger the fund’s balance, the more we can use to support the ATP and students. You can support the Bonci Scholarship with a donation and/or pledge by visiting this link.

Please note that there is a Tina Bonci Sports Medicine Endowment Fund with The Longhorn Foundation and UT Athletics. Feel free to contribute to that endowment to support UT Athletics also. However, the ATP does not receive funds from that endowment nor does that money go towards the ATP student scholarship. The only way to donate to the Bonci Scholarship that supports ATP students is to follow the instructions to donate described above.

Alternatively, you may send a check or money order to:
LATSA
c/o Brian Farr
Kinesiology & Health Education
The University of Texas at Austin
2109 San Jacinto Blvd, Stop D3700
Austin TX 78712-1415
Make check or money order payable to LATSA
Note “Bonci Scholarship” on the memo line or include a note stating the donation is for the Bonci Scholarship.
We did it!! A number of alumni and friends of Tina answered the call to donate in August and we raised just over $21K. Adding to our proceeds from the Chasing Excellence 5K races, we now have enough money to endow a fund in Tina’s name – the Christine M. “Tina” Bonci Endowed Excellence Fund. Thank you to those of you who answered the call in August, who donated in the past, and who supported the 5K races.

Reunions

“All-Years Reunion”

It was great catching up with many of our alumni at the “All Years Alumni Dinner” in April, the classes of 2006-08 trip to Austin in May, and at the alumni reception at NATA in June.

Over 70 alumni and guests joined us in April for the first “All Years Alumni Dinner”. Alumni toured the Moncrief-Neuhaus and North End Zone facilities then enjoyed dinner, drinks, and conversation. Thanks to the T-Association for sponsoring the event.

Several alumni from the cases of 2006-08 came to Austin for their 10-year (plus or minus) reunion. They visited some of their old stomping grounds on Friday, toured the MNC and NEZ facilities on Saturday morning, then visited some more old stomping grounds on Saturday evening.

Dozens of alumni and guests joined us for an alumni reception in Houston during the NATA Convention. During the reception, Mike O’shea was presented with his T-ring.

Alumni from the classes of ‘06, ‘07, and ‘08 made a trip to Austin for their 10 year +/- reunion

Brian Buening (football) joined the football AT staff as an assistant AT. Brian comes to UT after serving as the head football AT with Indiana State. He earned his BSAT from Indiana University in 2011 and his MS from the University of Arkansas in 2013. He interned with the Indianapolis Colts in 2010-11. He and his wife, Kamarra, were married in April 2017

Korey Brown (football) joins the football AT staff as an intern AT. Korey earned his BSAT from Missouri State University in 2015 and his master’s degree from the University of Central Missouri in 2017. His married to his high school sweetheart, Michelle
Yep, after a brief lay-off the paintball war is back! While no longer a staff vs. student paintball war, it is a paintball war none-the-less. Fun was had by all who battled. Good food and times were had, and many a battle scar was proudly shown, at the Farr-B-Q following the battle.
We had another record-breaking year with 160 campers attending this year’s camp. Campers came from all over the US to enjoy four days of learning about athletic training. Please encourage your students to attend the camp.
Thank You

Do You Think Adults Are Prejudiced Against Teens?

“Yes, they think we’re young, stupid and can’t do nothin’.” Donald Nguyen

Students remember social media will catch up to you one of these days

A “thank you” also goes out to the folks that served as guest lecturers in the classroom. Without your support and assistance, the ATP would not survive.

Please keep us updated. We want to hear what you have been up to. If you have not submitted an “alumni information sheet”, or have not updated it in a while, please do so. You can download the form from the “alumni” section of the ATP website. If you know of alumni that are not on the alumni list or have not sent us an update, please encourage them to contact me or send us an update.
